

STATEMENT OF WORK

Compliance and Regulatory Services

Under Master Service Agreement with Digerati Experts

SOW Number: CS-001

Effective Date: _____

Client: _____

Compliance Framework: ☐ SOC 2 ☐ FTC Safeguards ☐ PCI-DSS ☐ HIPAA

1. SERVICE OVERVIEW

Digerati Experts will provide comprehensive compliance consulting and implementation services to help Client achieve and maintain compliance with selected regulatory frameworks. Our cybersecurity-first approach ensures that compliance initiatives strengthen overall security posture while meeting regulatory requirements.

2. COMPLIANCE FRAMEWORKS

2.1 SOC 2 Type II Compliance

Services include:

- Gap analysis against SOC 2 Trust Services Criteria
- Control implementation roadmap and project management
- Policy and procedure development
- Security awareness training program
- Internal audit and readiness assessment
- Auditor coordination and support
- Ongoing compliance monitoring and maintenance

2.2 FTC Safeguards Rule Compliance

Services include:

- Risk assessment of customer information systems
- Information security program design and implementation
- Access controls and authentication requirements
- Encryption and data protection measures
- Incident response plan development
- Qualified individual designation and support
- Annual reporting and board-level updates

2.3 PCI-DSS Compliance

Services include:

- Cardholder data environment scoping and segmentation
- Self-Assessment Questionnaire (SAQ) completion
- Network security controls implementation
- Vulnerability scanning and penetration testing coordination
- Policy development and security awareness training
- Quarterly compliance validation and reporting

2.4 HIPAA Compliance

Services include:

- Security Risk Assessment (SRA) and remediation planning
- Privacy and Security Rule implementation
- Business Associate Agreement (BAA) review and management
- Technical safeguards implementation (encryption, access controls)
- Breach notification procedures and incident response
- Workforce training and awareness programs
- Annual risk assessment updates

3. PROJECT PHASES

Phase	Key Activities
Discovery	Current state assessment, stakeholder interviews, documentation review
Gap Analysis	Control assessment, risk identification, prioritization
Remediation	Control implementation, policy development, technical configuration
Validation	Internal testing, readiness assessment, audit preparation
Maintenance	Ongoing monitoring, annual updates, continuous improvement

Estimated Timeline: Initial implementation 3-6 months, depending on current state and framework complexity.

4. DELIVERABLES

- Comprehensive gap analysis report with remediation roadmap
- Complete policy and procedure documentation suite
- Risk assessment and treatment documentation
- Security awareness training materials and sessions
- Evidence collection and audit support documentation
- Monthly progress reports and executive summaries
- Compliance certification readiness assessment

5. PRICING

Service Component	Investment
Initial Assessment & Gap Analysis	\$ _____
Implementation & Remediation	\$ _____
Ongoing Maintenance (Monthly)	\$ _____

Note: Pricing varies based on organization size, complexity, and selected compliance framework. A detailed proposal will be provided following initial consultation.

6. CLIENT RESPONSIBILITIES

- Provide timely access to systems, documentation, and personnel
- Assign internal compliance champion/project coordinator
- Review and approve policy documentation within agreed timeframes
- Implement approved security controls and configurations
- Ensure workforce participation in required training

7. TERM

This SOW shall commence on the Effective Date and continue through project completion, followed by ongoing maintenance services as selected.

ACCEPTANCE AND AUTHORIZATION

CLIENT:

Guarantees and Service Credits

If Client selected any optional guarantees on the Order Form, those guarantees apply to Covered Services under this SOW only as described in Exhibit G of the MSA and the Service Credit Schedule in Exhibit A (SLA).
